

Dalton St Michael's C.E. Primary School

Newsletter 26

April 21st 2017

In Dalton Discoverers After-School Club the children have been making fruit kebabs this week.

They tasted the different fruits and used types of yoghurts to add to the flavour.

The Gardening Club have been busy planting sunflowers and adding compost to their potatoes.

Look out for the display of pots and plants at the front of school which have been designed by the children at home.

After-school clubs for this term are:

Monday – Football for Years 1, 2 and 3 initially

Tuesday – Sports club until 4.00pm for Year 2 to Year 6

Thursday – Gardening Club until 4.15pm for all children

Please see the school website for more information.

Please send in sponsor money in aid of the NSPCC by Tuesday morning at the latest. Thank you.

Stars of the Week

Nursery: **Louis** for doing super team work in P.E.

Reception: **Blake** for trying hard with his work on time

Year one: **James** counting in 2's to twenty

Year two: **Amara** for super work partitioning numbers different ways

Year three: **Joshua** always demonstrating honesty and setting a super example for our class

Year four: **Arwen** for being so enthusiastic and proud of her reading achievements

Year five: **Harriet** for concentrating and persevering in maths when finding it a little difficult

Year six: **Callum** for great ideas discussed in English for detective writing

Attendance

Class 3 with 100%

Next Week...

Our class photographs will be taken on Tuesday morning.
