

Year 2

Summer Term 2017

'Enjoying Our Learning Journey,
Travelling Forward Together'.

Cool coasts, incredible islands.

Welcome back to the start of the Summer term. We hope you all have had a wonderful Easter break.

Our topic this term will be focusing on the comparison between Kimpton and the coast. We will be using a variety of books to help develop this topic including the adventures of Katie Morag by Mairi Hedderwick.

If you have any resources, books or artefacts which you feel would enhance and support our work, we would really appreciate borrowing them. As with all home items, please name them so they can be returned to you.
