

Summer Term 2017 Newsletter

Welcome back to everybody, we hope you had a good Easter Break and are ready for the Summer Term. Last term was short and seemed to fly by, but still provided the children with many new learning opportunities. The term was a great success with children making progress and getting out and about. We celebrated Red Nose Day with many of the children purchasing noses and enjoying the fun of dressing up. We also had some visitors into school to support our healthy lifestyle initiative. Tesco came in to discuss healthy food options with the children and we also had a visit from Circusology, a company who provided a very active workshop which the children thoroughly enjoyed. We had a great Book Week with the children studying a book in depth and showing their knowledge at our Reading Competition.

The Easter Assembly was a great success and I was very proud of the children, who took part with confidence and enthusiasm, singing some new songs and telling the Easter Story. It was also lovely to see so many Dioramas brought in for the competition and I would like to thank you for the support you gave to the children in putting those together. I would also like to thank parents for the very positive feedback we received from the parental questionnaires handed out on Parent's Evening. The results are on the website and show that at least 94% of those who completed a questionnaire either agreed or strongly agreed with all of the statements and 100% of you would recommend our school.

Lastly, I would like to thank you all for the positive response we have had in relation to our Healthy Eating initiative. The children, with your support have responded very well for the most part and you can be very proud of their willingness to try different foods and for proudly showing off their fruit or vegetable snack.

Thank you.

Mrs. A Crawshaw
Headteacher

Please use our website to help keep you updated with relevant information including letters, diary dates and events. Our Safeguarding Policy is available to those of you who may have concerns and will give advice on keeping children safe.

Overleaf are the important dates for next term, but I would like to draw your attention to the following:

Week beginning 8th May - SATS Week (year 6) - I would stress that it is very important that the children are in school for that week. We always take great care to ensure that the children are supported and do not become anxious during this week, so a good breakfast and a few early nights will help them through.

Week beginning 22nd May - SATS Week (year 2) - Year 2 children will be taking part in their SATS week during this time and once again I would stress the importance of children being in school. Whilst just as important, the KS1 SATS are teacher administered and are much more relaxed. We certainly would not want children to worry or feel pressured in any way. Once again a good breakfast and early nights will enable them to do their best in these assessments.

Diary Dates - further details will follow

Wk Com 2 nd May	Clubs begin
8 th May	Key Stage 2 SATS
15 th May	Bikeability Year 5/6
16 th May	Bikeability Year 5/6
