A new reading challenge will be launched on Thursday 4th May. All information will be sent out on that day.

Please help us protect your money!

Lots of children use our Tuck Shop regularly, which is great, but they are bringing in amounts of money that need change, without having anything in which to keep their change. Coins are, therefore, going missing and children are getting upset. Sending your child with the correct amount (35p per item) or sending the money in a purse would help to stop coins getting lost. Thanks for your help.

A Message from Colchester Utd 'Football in the Community.'

'We have a new girls football session starting on Monday 24th April for 5-11 year olds which has been backed by The FA and SSE, enabling us to only charge £1 a session!

These sessions, based in Colchester, require no experience and are there to get girls playing and enjoying the game. The woman's national team have the Euros in Holland during June and July and we are looking to celebrate this event as much as possible. Parents should contact the address below if they are interested in their child getting involved.'

I can, You can, We can...achieve.

Here are our Green Rosette for Growth Mindset winners from last week.

Each has shown a growth mindset, displaying perseverance, engagement and effort when faced with challenges in school.

We are very proud of each one of them.
