

School Council Application Form

As school council our role is to help the school be a better place, help people communicate, solve hard problems, and help each other in different ways.

It is a lot of hard work and we have to work hard at lunchtimes and sometimes during lesson time. These are the times we will meet to discuss and plan and do the work that we need to do. We have to be really organised and hard working.

Why would you like to be part of school council?

What do you think you could do as part of school council?

How will you do that?

What skills do you have to be part of school council?

What do you think school council is?
