2nd May 2017

Dear Parents and Carers,

As a school we always want to know what is going well and what we need to improve on. With this in mind we would like to invite you to complete two online surveys. The surveys should not take any more than ten minutes of your time.

The first is on the Ofsted Parentview site. This site is accessed by OFSTED prior to any inspection. There are twelve multiple choice questions. The results are seen in school but are completely anonymous.

If you can spare time to share your views the site can be accessed by visiting www.parentview.ofsted.gov.uk

The second survey is one that is only accessed by school. There are twenty multiple choice questions and then three further questions where you have the opportunity to record your views in text. Again this survey is completely anonymous.

If you can spare a few additional minutes to share your views we would really appreciate it. The survey can be accessed by visiting <http://bit.ly/2poA0Ri>

We do work really hard to provide the very best for our children and also work hard to maintain strong links with parents and carers. If there are any issues that are causing concern please make sure you share them with the class teacher, phase leader or leadership team. We will then be able to address them. If there is anything that you would really like to celebrate with the school let us know. We share the feedback with staff and governors regularly.

Yours sincerely,

The Sunnyfields Team
