Well done to the tennis team who took part in an inter-school event on Tuesday evening. They played really well and supported each other at the event. Oliver was fantastic at congratulating the children after each of their matches – they even came second overall. Well done!

Well done to the swimming team who took part in the Swimming Gala at Nye Bevan last night. A special mention for Ellis who turned up for his swimming lesson and joined in the gala instead!

Thank you to the staff and parents who supported these events – it is really appreciated.

Miss Singleton starts her Maternity leave from today. We will miss her but I know she will keep in touch with us all. In her absence other staff members will cover her roles for the foreseeable future.

Please note:

Our Sports Afternoon is scheduled for Wednesday 17th May from 1pm to 3pm weather permitting.

Wednesday 24th May is an alternative date if necessary.

Stars of the Week
