St. Anselm's Catholic Primary School

5/5/17

Dear Parents

As we approach KS2 SATs week, we are very proud of our Year 6 children who have been working hard to prepare for these tests. I'm sure that they will do their very best in order to show what they have achieved during their time at St Anselm's. My thanks go to Mr Dobson, and all the staff who have been involved in preparing them so well. Good luck Year 6 and make sure you come to school on Monday rested and ready to show us what you can do!

We are delighted with our new interactive screen in the hall which has replaced the old trolley and projector. Thank you very much to the PTA for their generous donation which funded the board.

Yellow House

Well done to Yellow House who won the team point championship last term! They may wear home clothes to school on Friday 19th May as their prize. The names of the children in each house are written on the boards by the front entrance, if you are unsure which house your child is in.
