HEADLINES

The summer term is off to a flying start, having already had our first bank holiday, May Day. This month is a busy one with many of our pupils set to take their SATs test. We wish them luck, although we are sure they will all be superstars!!

Reading Friends

Angela Beaumont is looking for volunteers to become Reading Friends. If you have 30 minutes to spare please speak to her and she will explain what it involves

In the summer term there is to be a school trip to a surprise location for the class with the best attendance over the year

Aaron's Grandma, in nursery, has very kindly knitted us mittens to wear when the weather is cold. Here are a few of our children wearing them before sunshine arrives.

Thank you Aaron's Grandma !!!

YEAR 6 SATS

Week beginning 8th May.

Children and staff have worked very hard for these tests and we are very pleased with all their efforts. Now they have arrived you can help your child by ensuring:

- They get to bed in good time and come to school rested and refreshed
- They have a good breakfast to fuel them for the day.
- They arrive at school on time to be ready for the first test of the day
- You encourage them and assure them that their best effort is all that is required.

Should your child be ill please contact school asap so that we can make appropriate arrangements.

On Thursday 11th May 2017, Dave Kennedy, Founder of this project is coming to talk to us in school.

We are asking for any donations of chocolates, cereal bars, sweets, coffee sachets etc for the homeless people they support. Thank you

School Shop

We are changing the way that we sell our school uniform. All the items we currently sell will be available to buy in our on-line shop. We will no longer be selling clothing in the school office, however we are not changing our supplier and clothing will still be distributed from school. Further details to follow once the shop has been set up.

On 17th June FODS are holding their first ever Magic Show.

Mark Maximus of "Marks Magic Kingdom" is coming along to perform for us. This is a family night out and tickets will be available shortly. Please come along and support what is likely to be a fun filled evening.

Latest Craze—Fidget Spinners—your child should not be bringing these to school as they cause disruption in lesson time. Thanks

Sponsored Event

On Friday the 5th May Nicky, one of the fundraisers for the Forget Me Not Trust, came to a whole school assembly where she showed videos and talked about all the hard work and support they provided for poorly children and their families. As an organisation funded entirely by donations they need to raise £3,800,000 each year to be able to continue and sustain with this wonderful and invaluable organisation. They have asked schools in West Yorkshire to take part in their "Around the World Challenge". The aim is for school children to each walk a mile and if 24900 pupils take part this would represent the 24900 miles it takes to travel around the world's circumference.

Your child will be bringing home a sponsor form and we would appreciate it if family and friends would sponsor them to take part in this extremely worthwhile event. This will take place during the week commencing 22nd May 2017

In each school there will be prize draw to win a teddy bear, also an overall prize for the child with the most sponsor money raised in West Yorkshire of an **IPAD Mini 2.**
