Did You Know....

We now run the village Preschool for children age 2-4years at Read Reformed Church. On 13th March 2017 we took over Happy Tots which is now registered as Read & Simonstone Preschool. What we aim to provide is continuity of care. Therefore children can start with us from 2years old and access the same high quality, care and education right through until they start their journey on to secondary school. We ensure this by Hajra and Josie working across both provisions. Speak to Josie for more information.

I am sure you will join me in congratulating the children on their lovely Lego models. They worked very hard to build these out of bricks in our construction area and we are very proud of their achievements. The Children were very excited when I told them that I am going to put a photograph in our newsletter to show all the parents. Here at The Out of School Experience we love sharing the children's achievements.

We have all enjoyed spending lots of time in our outdoor area with free flow inside and outdoors. The children have particularly enjoyed going across the road at Simonstone School grounds, playing football, basketball, tig, making daisy chains, using the climbing equipment and one of my favorites, rolling down the hill.
