

Our Curriculum

Here are some of the important resources we use-

Children in Nursery, Reception, Years 1 and 2 have a daily dedicated **phonics** lesson. We base our teaching on “Letters and Sounds”.

We use the “Penpals” scheme for **handwriting** in all classes.

Our **reading scheme** aims to give all children a wide choice of reading in a variety of genres. This means that children will be expected to read non-fiction and poetry as well as fiction. The books come from a range of published schemes, though most are Oxford Reading Tree books. Older children also have access to a “free choice” library of real books which can be borrowed in addition to their home school reader.
