Minutes from last meeting	Went through the last set of Minutes and agreed them.	
Focus of meeting	<p>Ms Seamons discussed the Anti-Bullying Quality Mark that we are going for as a school and the involvement of the Friendship Ambassadors in this. DS showed the children a power point of the questions Bob & Teresa from the ABQM will ask. We also refreshed our memories from the "Happy Kids Don't Bully" training and watched the clip of bullying and neglect scenario. We discussed this afterwards. We discussed the questions and then the children split into mixed aged groups of 3 and worked on one of the questions. The children then took turns and shared this back to the group at the end in a short presentation.</p> <p>The questions and the children's responses are as follows:</p> <p><i>What is your role and responsibility?</i></p> <ul style="list-style-type: none"> • Stopping arguments • Making people not be rude • We stop bullies • Calming people down • Being kind to everyone <p><i>How has your training "Happy Kids Don't Bully" helped you?</i></p> <ul style="list-style-type: none"> • It made me think that bullies are sad inside • You should never bully to other people • If I see it I sort it <p><i>How does your work support people who could be getting bullied?</i></p> <ul style="list-style-type: none"> • Tell an adult • Make sure it doesn't get worse • Make sure they are ok 	

	<ul style="list-style-type: none"> You can make sure that the situation does not get worse by telling how the other person feels who's getting bullied. Talk to us when they don't want to talk to teachers. <p>How do you share with your friends what you do?</p> <ul style="list-style-type: none"> In assembly Talk on the playground Wear my lanyard <p>How would you adapt what you do for different people?</p> <ul style="list-style-type: none"> It depends what situation it is It depends how bad the situation because if there was a fight - you wouldn't give a hug to sort it. If it is a really bad situation like a fight - do different to if it is an argument. That can be sorted by talking. <p>Do your parents know what you do?</p> <p>If not how can we let them know what you do?</p> <ul style="list-style-type: none"> We can have an after-school meeting Go home and explain it to them Show them the school website We could have a coffee morning <p>Children all congratulated each other on their short presentations. We finished by reminding each other to go home and share with their grownups what they do as a friendship ambassador.</p>	<p>FA to tell their adults what they do at school as a FA.</p> <p>DS to put the minutes on the website and a hard copy in the hall.</p>
Focus for next meeting	The children will all be coming together on Tuesday 16 th May 2017 to show Bob and Teresa around the school for the Anti Bullying Quality Mark. Danyel Lorman (Haimo Mayor) will lead this.
