

# Sports Premium Background

Most schools with primary-age pupils receive the Physical Education and Sport Premium in the academic year 2016 to 2017. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.

This means that you should use the premium to:

- develop or add to the PE and sport activities that your school already offers
- make improvements now that will benefit pupils joining the school in future years For example, you can use your funding to:
  - hire qualified sports coaches to work with teachers
  - provide existing staff with training or resources to help them teach PE and sport more effectively
  - introduce new sports or activities and encourage more pupils to take up sport
  - support and involve the least active children by running or extending school sports clubs, holiday clubs and Change4Life clubs
  - run sport competitions
  - increase pupils' participation in the School Games
  - run sports activities with other schools School must still teach the minimum requirements of the national curriculum - including those specified for swimming (or, in the case of academies and free schools, to teach your existing PE curriculum) from their base budgets.

Sports Premium 2015-16:

As a new School we have were not given PE and Sport Premium funding in our first year due to only having a reception class.

From the academic year 2016-17 we have this funding. At the end of this academic year we will provide a statement to say how the money has been allocated and our assessment of the impact of the funding. Until that point we have provided a statement about the intended spend and aims.

For more information regarding PE and Sport Premium funding:

# 2016-17

## Our aims:

ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 7 key indicators:

1. the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
2. the profile of PE and sport being raised across the school as a tool for whole school improvement
3. increased confidence, knowledge and skills of all staff in teaching PE and sport
4. broader experience of a range of sports and activities offered to all pupils
5. increased participation in competitive sport – building blocks for when children are in KS2
6. Increased sports club provision for children, which is accessed by at least 50% of pupils in the first 3 years, growing to 80% thereafter.
7. Improve the sports equipment in our new school.

## 2016-17 Planned Expenditure to meet vision aims – Total budget £8,150

Item	Spend	Aim
After school sports club	£825	Increased sports club provision for children.
