

11th May 2017

Dear parent/carer,

Helping your child read at home information evening

On Thursday 25th May, we will be holding an information evening for all adults that wish to learn how to help their children with reading. It will be held in the hall at 6pm for approximately 1 hour, with opportunities for questions at the end. Following this, the children's English books will be available in their classroom so you will have an opportunity to see the wonderful work that they have been doing in their English lessons.

If you bring your children with you, there will be a popcorn and movie experience in the Reception classroom for them to enjoy.

Mr Galway, an excellent English advisor, will be delivering the session and I am sure it will be an extremely worthwhile experience. (This session will be different from the previous reading session Mr Galway held.)

I look forward to seeing many of you there.

Yours sincerely

E. Fowler
