

# Newfold Community Primary School

## Headteacher's Spring Newsletter 2017

### Bingo!

Thank you to everyone who attended our Easter Bingo. It was a terrific night that once again demonstrated what a fantastic community we have here at Newfold.

Over 160 community members attended and helped us raise funds for school.

Thank you to all those who donated Easter Eggs and other prizes; your generosity and support is always very much appreciated.

Thank you too, to Newfold's top class staff for giving up another evening to enrich the lives of all.

### Science Week

All our children enjoyed being young scientists during our Science Week.

Thank you to Mrs Henthorn our Science Leader and all Newfold's staff for organising such an enriching, exciting, and fun week of activities!

### Building & Repair Works

Thank you for your patience during the repair works to the Key Stage 1 building roof.

The scaffolding will be dismantled during the Easter Holidays. Job done!

The conversion of the outside building in the Key Stage 2 playground will be completed before the end of April.

It will be great to get our outside space back!

### Easter Egg Competition

Once again our annual Easter Egg Competition bought out our community's creative best!

The hundreds of entries have certainly wowed us all in school and were **incredible!**

Everyone who entered was a winner!

Thank you for all your tremendous efforts in supporting this event. Once again our parents/carers demonstrated amazing support for the school community.

### Easter Holiday

School finishes for the Easter Holiday on

Friday 31st March at 3.30 p.m.

We return to school on

Tuesday 18th April at 8:55 a.m.

# Happy Easter

Mr P Edge
