

A message from Mrs McNulty...

Dear Parents/Carers,

Huge congratulations to our Year 6 children who have completed their SATs this week. They have been focused, positive and determined and conducted themselves with great aplomb! I am very proud of them and their wonderful teachers who have prepared them so well.

The staff are planning many events and exciting learning opportunities to carry us through the Summer Term.

Make sure you enjoy your weekend. Rest and relax.

Mrs K McNulty

YR6 SATs Week Breakfast Club

Breakfast Club was a resounding success during SATs week as children and staff had the chance to get together and enjoy their morning feast!

The hall was transformed into a 5-star restaurant with dedicated staff providing table service to our fantastic pupils!

Special thanks to Super Chef Mr Towler and all the other staff who helped.

Year Six Celebrations!

As you will know, our Year 6 children sat their SATs this week. We are incredibly proud of how hard the children worked, not just during the tests, but also during extra maths and literacy sessions in the afternoons. The children showed a very mature and responsible attitude towards the SATs and their behaviour was impeccable. As a reward for all their hard work we have celebrated with a picnic. The children brought in mountains of food including cakes, biscuits, pizza and crisps not to mention the fresh fruit. A good time was had by all.

Year 5 Business Brains

Year 5 have been enterprising this week, researching, designing and marketing with a remit to come up with ideas for an energy bar, and they did this with enthusiasm. In addition to working out costing and profit for the bar, they also wrote letters to investors asking for loans. Furthermore, they worked on using persuasive language for advertisements for the radio, posters to market their product and added wrappers and business cards to their whole creative package. Alongside the promotion, there was a mission statement that set out their goals as a company. The work was complimented with jingles that some performed with musical accompaniment.

The project was judged and praised by the Year 6 teachers who applauded the children's entrepreneurial skills and confidence in explaining their wonderful ideas.

Times Tables Rock Star Leader Board

A HUGE congratulations to Ike of Magpies who has made it into the top 10 this week. Although he has the same speed as Hayley Clough (who has been knocked down to 11th), his time has improved greater meaning he moves ahead.

Will all of the top 10 achieve times of under 1 second per question and become 'Rock Heroes'?
