

# Nursery Newsletter 5.5.17

## What we have been learning:

- ❖ The life cycle of a chicken
- ❖ Matching numbers to different amounts and saying when they have the same
- ❖ Painting and peeling eggs to develop our finger muscles
- ❖ Writing about superheroes
- ❖ Playing doctors and nurses in our role play area

We have enjoyed looking after the chicks and watching them grow

## **SNACK MONEY**

Please remember to pay snack money. This 40p a session or £2 for the week contribution enables us to buy a healthy range of snacks and supports other opportunities for the children.

**Thank you**

## General Reminders

- ❖ If you have not already returned your consent form for the farm on Wednesday 17<sup>th</sup> May please return these asap.
- ❖ Please can we ask you to cut all grapes in half lengthwise if you send them in for packed lunches as these are a choking hazard for young children
- ❖ As the weather is very interchangeable please ensure you send a warm jacket/coat in as well as applying suncream before they come to nursery if it is going to be sunny.
- ❖ Congratulations to Casey and his family who have won the 100% attendance raffle from the Spring term and have received a cinema voucher

**HOME TASKS** - Please keep practicing your child's name with them, we aim for as many children as possible to be able to write their name before they go to Reception.
