Minutes of the meeting:

1. School Council Visit:

Members of School Council visited the meeting. Unfortunately attendance was low today. Explained role of PATHS and how it links to the School Council. Gave councilors letters to give out to pupils interested in helping at Easter Fair.

2. Matters arising:

- Facebook – Mrs Sadler okayed the idea of Clare taking over management of site in principle, but need to get relevant people together to work out details.
- Red Nose Day – raised over £400, the best result ever. Some members felt it could have been more. Suggested getting more red noses next year, as sold out. Also suggested children design posters to encourage their involvement more. Tuck shop was very successful and despite some staff panicking, there were enough buns for everyone. Thank you to everyone who baked or helped out.

3. Easter Fair:

- Craft sessions going well and have a good selection of things to sell.
- Chocolate donations have been coming in, along with 'tat' for hook a bag stall.
- Looked at any gaps in stalls and added names
- Gave hamper item list out
- Everything seems to be on track for Fair
- PATHS members to come in on 5th April and get things like tombola ready
- Baking session going ahead for morning of event

Any other business:

- It was suggested having a logo for PATHS, to make it instantly recognisable. To bring to next meeting

Agenda for next meeting:

- Feedback and evaluation of Easter
- Update on Centre & Hub
- Celebrating Newsome event
- Logo
- AOB

4. Date of next meeting: Thursday May 18th, 9.15am
