

# Shirestone Academy Sports Premium Report

The government gives extra funding to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport - is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

Schools must spend the funding to improve the quality of the PE and sport activities they offer their pupils, but they are free to choose the best way of using the money. For example, the funding can be used to:

- Hire specialist PE teachers
- Hire qualified sports coaches to work with teachers
- Provide existing staff with teaching resources to help them teach PE and sport
- Support and involve the least active children by running or extending school sports clubs.
- Run sport competitions or increase pupils' participation in the School Games
- Run sports activities with other schools

## How will we be spending the PE & Sports funding and who will benefit?

The Governors of Shirestone Academy agree that the money must be used so that: all children benefit regardless of sporting ability; that staff have access to training opportunities and continued professional development and to assist in the development of the sports curriculum across the school.

Each school will receive £8000 plus an extra £5 per Year 1 to Year 6 pupil each year. At Shirestone Academy this means that the school will receive £8890 to improve the provision of physical education and sport. The school will receive the funding in two parts. The first half will be awarded in October with the second being received in April.

The specialist PE teacher (Mr Simmons) who was employed last year will continue to work alongside staff in delivering the National Curriculum for PE which includes swimming. Mr Simmons has implemented a strong foundation of extra-curricular activities for all pupils. On average the school offers 3 after schools clubs on a weekly basis. Clubs have included, multi sports, dodge ball, and handball. All Year 3 children go to swimming once a week for an hour.

Autumn Term – Summer Term	Clubs	Staff
<b>Tuesday</b>	Year 5 and 6 Multi sports	Mr Simmons
<b>Wednesday</b>	Year 3 and 4 Multi sports	Mr Simmons
<b>Thursday</b>	Year 1 and 2 Multi sports	Mr Simmons

**We have had parental requests for light touch workouts. Therefore we will be holding session throughout the year for the following:**

**Zumba delivered to parents by Mrs Proctor**

**Yoga delivered to parents by Miss Ransome**

Autumn and Summer Term	Club	Staff
<b>Monday</b>	Year 1 and 2 Multi sports	Mr Simmons
<b>Tuesday</b>	Year 3 and 4 Multi sports	Mr Simmons
<b>Wednesday</b>	Year 6 Multi sports	Mr Simmons
<b>Thursday</b>	Year 5 Multi sports	Mr Simmons

Children in Year 3 and 5 will be taking part in ‘Run a Mile’ which is a study by Birmingham University and Health Education Service. The aim is to test whether encouraging children to be more physically active every day in school will improve their wellbeing.

Children have been encouraged to participate in sports to raise money for the British Heart Foundation. In conjunction with our Health for Life initiative children took part in a skipping challenge in 2016. In 2017 children will be taking part in a sponsored dodgeball to raise money for this charity.

During breakfast club our Sports Leaders in year 6 run a games club for children. This is attended well and not only encourages children to be active, but also gives our children an opportunity to become leaders of sports. Our sports leaders are trained by Mr Simmons and play a huge part in encouraging the young people to participate in sports.

TOTAL ANNUAL INCOME

	£8890
--	-------

TOTAL EXPENDITURE

<b>EQUIPMENT AND MAINTENANCE</b>	
<b>SPORT COACH FOR ALL YEAR GROUPS TO DELIVER PE</b>	
<b>AFTER SCHOOL CLUBS</b>	
<b>LUNCHTIME CLUBS</b>	
	£8890

**Next Steps:**

To further improve the provision of physical education and physical activity the school will look at developing the following:

- Introduction of a 'Change for Life Club'.
- Bike ability introduced as an extra-curricular activity.
- Introduce other year groups to the Run a Mile study.
- Obtain funding to purchase Bike Shelters to encourage cycling to school
