

Home-Learning Project

Great Personalities Spring Term

Parent/Carer's Feedback Sheet

1. What went well with my child's Home Learning Project?

- The research and finding out about a famous person. The ideas that they came up with and to see that anyone can become famous.
- They present their project very well. I enjoyed listening to them.
- It was easy as Maya's dad is quite "famous" in baseball circles in the UK and she picked him.
- It was a lovely family experience as we spent time together discussing our ideas and putting them in places "collage of pictures and movies of myself! Team work.
- Creating & art research
- He was very interested since the beginning. He always loves these projects.
- Isis really enjoyed her project and this has inspired by the Rio Olympics.
- Thinking about the logistics of presenting a project and working in a team.
- Isaiah was keen to research about Michael and to find a different way to present his project. Roblox.
- Enjoyed finding facts and making quiz. Looking for good pictures to go to with facts. Going to Madame Tussards.

2. What other family learning mornings would you like to see?

- Simple stories from the bible including Lord's Prayers.
- Maybe a cooking morning.
- Weird animals, interesting cities.
- Amazing places in the world.
- I enjoy watching the presentation.
- Make sure an up to date email is sent before the project due date.
- Letting people work on the project during break/lunch.
- Regular mornings where parents can come in and read, eg first Friday of each month.
- Project on a job/parent occupation/dream job. Hobby/group eg. Beavers football, lego – find out the history, how it started. Bible story.

3. Ideas/suggestions

- Could run a project morning where parents could get ideas on doing their projects.
- Not too political projects (like the last one)
- Project to be done in groups (2 or 3 families join together).
- Continents (like Asia, Africa) foreign country. Science.
- Creating adverts for products, marketing – why we buy what we buy. How we used to live – what our parents/grandparents did differently to us.
- Project about: music, drama/theatre, actor; world of fiction, starting a business, nature/wildlife.
- One per ½ term instead of termly.

4. How can we help you with your child's Home Learning Projects?

- Give extra help and support to parents and children on doing their project. This way might get more children doing projects.
- I think you doing great!
- Stimulate, set up or give ideas about presentation. Time allowed for each child.
- Giving children the chance to work on the project during lunch/break time.
- Advice sheet with tips on how to put project together.
