16 May 2017

Dear Parents and Carers

Addington School Uniform

From September 2017 uniform will be compulsory for pupils at Addington School. Uniform helps our pupils differentiate school days from holidays as well as bringing an enhanced sense of belonging. It also presents our pupils in the best possible way when out in the community.

In September 2017, uniform will be compulsory **up to year 10** and from September 2018, **up to year 11**. From September 2017 we will also be introducing a **dress code for our FE pupils**. (Year 11's from September 2017 must adhere to the dress code for FE as it is unreasonable for parents to be asked to purchase uniform for only one year.)

Some of our pupils have sensory difficulties and find wearing some types of clothing challenging. If there is a reason why your child cannot wear any of the uniform listed overleaf, please let me know.

PE kit will also be compulsory and is listed overleaf.

The school will stock a wide range of clothing with the Addington logo but all usual shops and supermarkets will also stock royal blue jumpers, cardigans and sweatshirts and standard shirts, trousers and skirts.

If you wish to purchase uniform this term for September, please return the enclosed order form with a cheque or cash. If you wish to check sizes, please visit reception.

If you have any further questions, please do not hesitate to contact me.

Yours faithfully

Sara Attra
