

19th May 2017

Dear Parent/Carer

Building Works

From Monday 22nd May works will start on two new classrooms which will be located close to the main school hall. The classrooms are expected to be ready for use in September. In order to ensure the safety of pupils the site area will be cordoned off for the duration of the works. This will impact on dropping off and picking up arrangements for several classes.

Please note the changes as follows: -

- **Start of the school day**
 - Breakfast Club will enter using the Year 5/6 doors.
 - All classes (with the exception of Year 5/6) will enter by the gate next to Little Dragon's Pre-School entering the school building by the usual doors.
 - All Year 5/6 classes will enter using the Year 5/6 doors.
- **End of the school day (including Homework Club)**
 - Year 3/4W and 3/4D will leave through the Year 3/4 doors (near goal units).
 - All Year 5/6 classes will leave through the Year 5/6 doors.
 - All other classes will leave through the usual doors using the gate by Little Dragon's to exit.
- **Mentoring**
 - Pupils having mentoring sessions will continue to use the main entrance.
- **No Bike Sheds**
 - The bike sheds will be within the out of bounds area, please could we ask that pupils do not bring bikes or scooters to school during the building works as there will not be a secure place to leave them.

Please be reminded that parent/carers are not permitted to enter the school car park to drop off children for breakfast club or at the start or end of the school day as **reversing cars are very dangerous in the area where children are entering the school grounds on foot.** Please also take care when parking near the school and remember that it is illegal to park in the bus lane.

Thank You for your continued support,

Miss Young
Head of School
