

Dalton St Michael's C.E. Primary School

Newsletter 30

May 19th 2017

Year one and two have been busy making puppets this week. They were able to design their own puppet then make it out of felt.

Poppy was careful and really concentrated when she was cutting.

Finley was really pleased with his finished puppet.

All the puppets are on display in the classroom.

Ollie and Louis made faces out of leaves on the playground with Miss Ryan one afternoon.

Year five and six have been writing their own playscripts and performing them. They thoroughly enjoyed the experience and were excited to video their performances with the help of Miss Madden.

Congratulations to Miss Singleton and her partner Brandon on the birth of their baby son, Ethan, on Thursday. We wish them health and happiness.

Stars of the Week

Nursery: **Joshua** for being a good friend to everyone in class

Reception: **Toby** for super 2D shape work

Year one: **Theo** for his improved presentation in his work

All of **Year two**: for completing their 'special work' with a smile

Year three: **Logan** for his creative ideas for the shape poems and inspiring his classmates with his work

Year three and four: **Leo** and **Noah** for producing a clear and exciting podcast

Year five: **Harriet** for showing great enthusiasm filming our playscripts

Year six: **Molly** for being a good friend and letting Niamh video the play when she wanted to

Attendance

Year 5/6 with 100%
