

# Cottesbrooke Investors in Pupils Newsletter

## Number2

*updates updates updates updates updates*

### How much do things cost?

Everything we use in school costs lots of money. Scissors cost 15 pence and an exercise book costs 59 pence. A Bee

Bot is very expensive and costs £49. Please look after everything in school because we only have so much money to spend on resources if they are broken or lost.

### Celebration display

We decided it would be a good idea to display all the celebration certificates that children get in the Celebration Assembly on Friday mornings. Please come and look at the display if you are in school. The children are very proud of getting these.

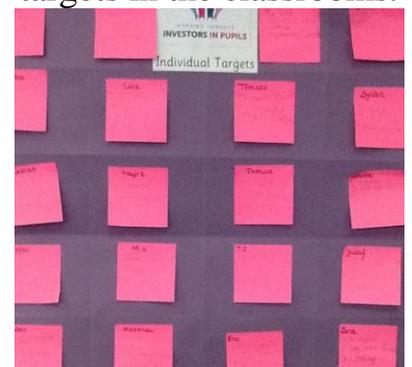

### Who are the Investors in Pupils Class Reps?

Each class elected their own representative who can keep all the children updated about new events.

### Individual targets

We have individual targets in the classrooms.

## Stars in Our School

In each newsletter we are going to focus on different *STARS IN OUR SCHOOL!*

Everyone is a star in our school but there are stars who help our learning or make our day special but we don't always talk about them. Now we can do it!

## Stars of the Week are Miss Williams, Mr Francis and Miss Musgrove
