### Pupil Premium

#### Pupil Premium – Reporting Expenditure to Governors and Parents

The Pupil Premium is additional funding given to schools by the government so that they can support their disadvantaged pupils and close the attainment gap between them and their peers. These pupils are in receipt of Free School Meals (FSM) currently or have been in receipt of FSM in the past 6 years (known as the Ever 6). They also include Service Personnel's children and children Looked After by the Local Authority.

It is for schools to decide how the Pupil Premium allocated to their school is best spent to support these children. However, they will be held accountable for how they have used this additional funding.

**At Roos C E (VC) Primary School we have a wealth of initiatives which are deployed to support children to 'bridge the gap' in performance.**

The Pupil Premium funding therefore is used to pay for, as appropriate:

- 1 to 1 tuition in English and Maths
- Small Group Work
- Emotional Literacy Support
- Specific Intervention Programmes e.g. supporting children to overcome speech and language problems
- Booster classes in English and Maths
- Additional Teaching Assistant Support

#### **Impact of Pupil Premium**

The appropriate support when put in place for the above children results in them making improved progress.
