Message from James Winterbottom - Director of Education

The appalling attack at the Manchester Arena last night is currently being treated as a suspected terrorist incident.

All our thoughts are with the families and friends of those who have lost loved ones or been injured or traumatised. The police, hospitals, Council and emergency services are doing all they can to support them.

As a Borough we will remain strong and it is more important than ever that our communities continue to support each other.

Message from Mrs Hughes

Our school leadership team will continue to ensure the safety of our children and security of our school building, and will remain vigilant at all times.

We appreciate these terrible events are distressing. We will remain open as usual and we appreciate your support in keeping the next few days as calm and normal as possible for the children.

As we receive further information from Wigan Council, we will update parents/carers.
