Dear parents/carers,

As our class book is Charlie and the Chocolate Factory, next term we would like to show the children sections of the film (2005). From this we are able to make comparisons to the book. As the film is rated PG we need to inform parents. If you have any concerns or you would not like your child to watch this, please inform your class teacher by the end of the first week back (Friday 9th June).

Thank you for your continued support,

Miss Bowen and Mrs Midlane
