

# Rowanfield Infant School Parent Charter

*It is essential that parents sign this charter to demonstrate a commitment to work in partnership with school for the benefit of the children.*

## **Share our high expectations for your child's learning and behaviour**

- Ask your child about what they are learning and what they need to do to improve
- Encourage your child to join in after-school and holiday activities
- Show your child that you value education and learning so that they will too
- Set your child a good example of considerate and courteous behaviour in your dealings with school.

## **Be a driving force in your child's goals and aspirations**

- Make sure your child attends school and is always on time – be here by 8.45am & don't book holidays during term time
- Give your child a regular routine at home
- Make sure your child has a quiet space to do homework and check that it's done
- Listen to your child reading and let them see that you enjoy reading too.

## **Understand your role and responsibilities in supporting your child's education**

- Attend all parents evenings
- Support the school policies – they are there for the good of all pupils
- Maintain good communication with school and discuss any concerns promptly with us
- Respond to school requests and questionnaires on time
- Make sure school has your full and up to date contact details
- Help us to make school a safe and peaceful environment for all children through your considerate and respectful behaviour

## **All our children are stars! Show pride in their success and in the school's achievements**

- Praise the skills, talents and successful learning of all pupils
- Notice when children behave well and praise them for it
- Attend school events and performances
- Be a good role model for your child by respecting other parents, staff, school neighbours and the school environment.

*'Our children are most successful when parents and school work together.'*

We believe that a close partnership between the school, parents and the child is essential if we are to achieve this aim. We therefore ask all parents to sign up to our Parent Charter.
