## NEWS

- You all had some really good ideas about how we could look after our environment more.
- I will
  - Ask Mrs Freeman to make some signs to remind people who do water bottles to only fill them half way.
  - Ask the PTA if they could buy us some more bins including recycling bins
  - Organise a walk to school week for the week beginning 15<sup>th</sup> May

If your recycling bin in the classroom is full perhaps you could ask one of the grown-ups if you could empty it with them

- I agree that sometimes there is quite a lot of litter around the school. I hope if the PTA buys us some more bins this will help.
- I will also organise a school competition to design a poster about not dropping litter. I will let you know about this soon.
- If you have any more ideas please let me know.

## Topic for Discussion

- The teachers were talking about which other topics we could learn about. Previously we have learned about chocolate and robots.
- Are there any topics that you would really like us to learn about?
- On Friday during a story assembly would it be a good idea to give you a choice to either go to the hall to listen to the story or stay in your classroom and do silent reading of your own book?

How many for yes? No?
