

The Pupil Premium is designed to ensure that funding to tackle disadvantage reaches the pupils who need it most. The funding is allocated to Local Authorities and schools with pupils from Reception to Y11 who are eligible (or who have been eligible at any point in the last six years) for free school meals (FSM), are looked after, or have parents currently in the Armed Forces. In 2016-17 the funding per child is £1320.

At St Edmund's we support all our pupils; we are committed to ensuring that the teaching and learning opportunities meet the needs of all pupils, in particular those of vulnerable or socially disadvantaged pupils. One of our key priorities is that any gaps in the performance of vulnerable pupils, and that of other pupils, is narrowed and ultimately closed. We do this by providing high quality classroom teaching supplemented by interventions to support vulnerable learners, as and when required. The School Leadership Team and Governing Body monitor the impact of all spending and interventions, including the Pupil Premium.

The progress of all pupils, including pupils identified as being vulnerable (SEND, FSM, EAL, LAC) is rigorously and regularly tracked. Regular Pupil Progress meetings between teachers, Leadership Team and the Headteacher focus specifically on the progress of vulnerable pupils. Actions and interventions are agreed and the impact of these assessed termly. The Senior Leadership team, including the SENCO, work closely together on planning the provision for vulnerable pupils and monitor the impact of all interventions.

Use of Funding 2016/17 Academic year

- In 2016-17 the total amount of Pupil Premium Funding allocated to St Edmunds is £ . The funding will be used to fund or contribute towards the funding of:
- Time for SENCO, enabling them to monitor classroom provision and provide hands-on support where needed.
- Pastoral Work within the Happy To Be Me group and Family Support Worker through the YMCA
- SENCO training and training for staff to deliver interventions
- Training costs – e.g. Numicon, FFT and ELKAN
- 1:1 tuition or small group personalised learning support; Maths and English Booster groups Y5 and Y6
- Teaching Assistants to undertake intervention groups both academically and for SEAL
- ICT resources, e.g. Nesy, Ipads, Laptops etc
- Staff cover to enable peer mentoring to improve the quality of teaching and learning
- Funding or part-funding of additional curriculum opportunities for pupils, such as educational visits, clubs, music lessons and residential trips.
- Provision of free school meals and free milk to those pupils entitled to it
- Breakfast club and afterschool club with food and drink provision
