Year Reception Summer 17

God's wonderful world			
Week 1	Explore To talk about their own experiences of the world and what they love about our world.	Share the creation story Encourage children to talk about what they love about the natural world.	Group collages of under the sea, on the land and in the sky.
Week 2	Reveal To recognise some words from the psalms.	Share psalms. Explain that one of the wonderful things we praise God for is water. It is a precious gift from God and we need to use it well and not waste it.	Talk with the children about how it's good to use water to keep us healthy and clean, but explain how we might waste water. How might we save water? Make a sign for home as a reminder not to waste water.
Week 3	Reveal Children will recognise that people want to care and share with others because they believe that God said take care of the world.	Walk around the school grounds, discuss how we can care for the environment .	Each child to plant and care for a sunflower seed in a small plant pot .
Week 4	Respond	Encourage children to reflect on how precious our world is.	Children to use a selection of material, natural resources and small world animals to recreate a favourite environment.
