

SPORTS DAYS AT WATTON – 2017

Dear Parents/Carers

Nursery and Reception sports morning will be on Tuesday 20th June.

We plan to **start at 10.15 a.m.** (gates will open from 9.30a.m.), with a mix of field events and a race for every child. Each child will be in a group of approximately 6 children and groups will move around the field. All children will be in groups of their House Teams – we will ensure all siblings will be in the same groups to make it easier for parents and carers to move around and support their children.

School uniform **is not** required for this day.

Safeguarding our children: We would like to see as many of you as possible on the day as we all know how much the children like to be cheered on in their activities.

In the interest of safeguarding our children, we would like to encourage all parents to help us manage the day. We do want to avoid any unnecessary coming and going of adults during the morning and ask parents and carers to respect this by staying for the full session. All adults will be asked to sign in and sign out at the school entrance and the school gates will be locked after the event has started and only re-opened and manned for the end of the day. Parents and carers should not enter the school building during the day at all, apart from using the designated toilets, or when accompanied by a staff member (or if we have heavy rain and need to all come inside).

While we do allow parents and carers to take photographs on the day, as always any photos/videos taken must be for personal use only and must not be uploaded onto any social media sites.

May we also remind you that our school is **a non-smoking site** and this also includes vapour/e-cigarettes.

Thank you for your understanding with all these measures.

KS1 /2 Sports Day Lunchtime 21st June 12.00-12.45 pm *We would like to have a picnic lunch on the field during this event and for that reason we would like all pupils to come with a packed lunch on this day. If you wish, your child could order the packed lunch option from the kitchen. Nursery and Reception children may also join in with the picnic lunch. If it rains at lunchtime (we have had this happen before!), we will have the picnic indoors - we will not be able to change to hot dinners at the last minute. Please also ensure that your child has a water bottle with them.*

If we are unable to have these events due to bad weather, our ‘back up’ day is Monday 10th July.

Please could you complete the slip below by Monday 19th June to enable us to plan for the day.

Zoe Hussain – Headteacher
