

Parent Survey 2017 Results – Uplowman

Thank you to everyone who completed the recent Parent Survey.

40% of families responded to the survey, so whilst these results may not necessarily reflect the views of everyone, the response rate is in line with previous surveys. Because of rounding, not all questions necessarily total 100% and with an individual response worth around 4.7%, sometimes the programme has rounded this up to 5%, or down to 4%.

The results are as follows:

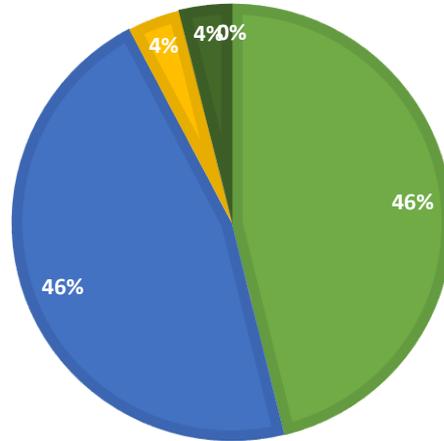

Whilst we are pleased that 86% of respondents said that their children were happy and felt safe, as a school we are never satisfied when – as it would appear – there is one child who does not feel that way. We do our best to ensure that children are feeling safe and are happy and we build in support if we feel that a child is not.

It was nice to read comments such as parents suggesting that their children bound into school each day. Understandably, mention was made regarding the unavoidable disruption that has occurred in Honeysuckle Class, although parents still indicated that their children were happy and felt safe.

MY CHILD IS TAUGHT WELL AND MAKES GOOD PROGRESS AT THIS SCHOOL

Strongly Agree Agree Don't Know Disagree Strongly Disagree

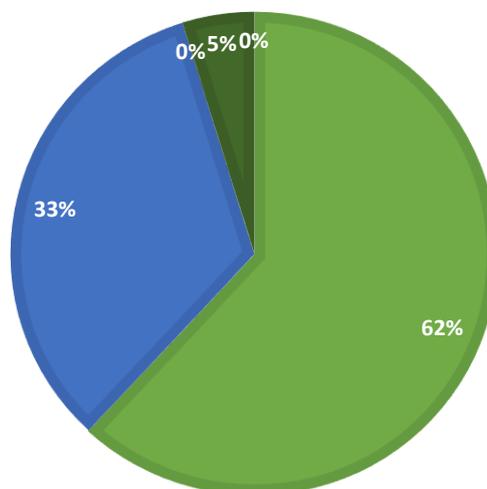

We were pleased that 92% of the respondents agreed that their child was well taught and was making good progress at Uplowman. Acknowledgement was made of the difficulties that have faced KS1 this year and we appreciate parents' patience and understanding with regard to this.

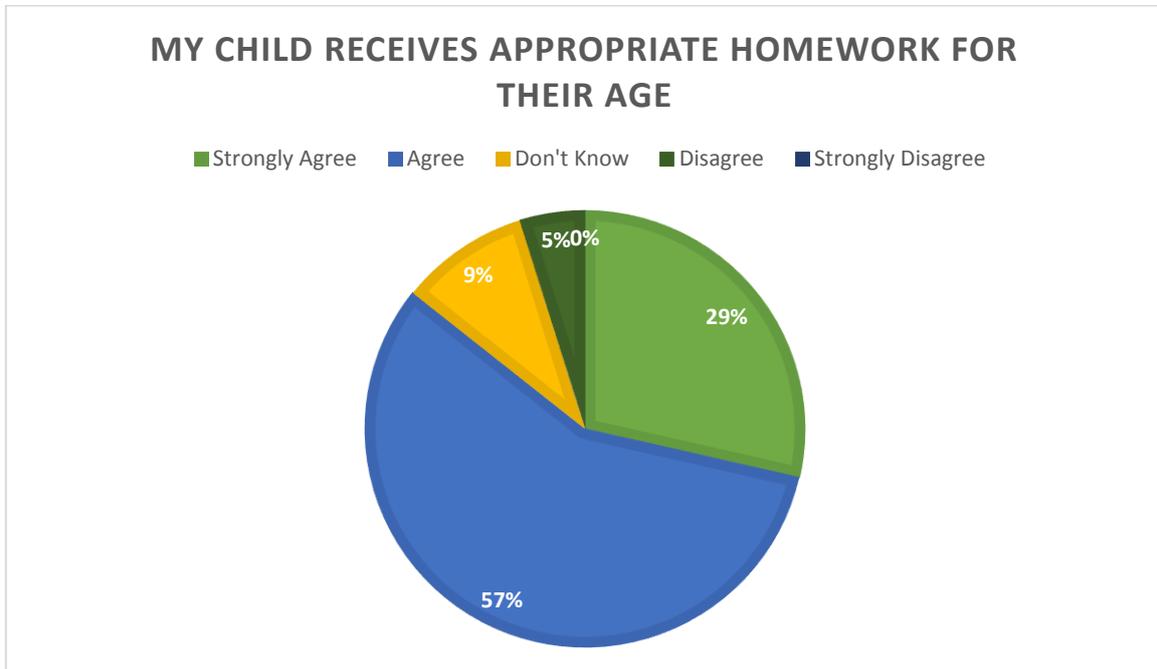

Concern was expressed by one respondent regarding Y3/4 being taught in the hall and that the clearing away for assemblies and lunchtime caused disruption. In truth, the children have this down to a tee. The disruption at lunchtime is as minor as them having to put their pencil cases and books away – which they would still have to do in a 'regular' classroom – as the tables remain out for lunchtime. They really are very swift with the transition.

MY CHILD IS WELL LOOKED AFTER AT THIS SCHOOL

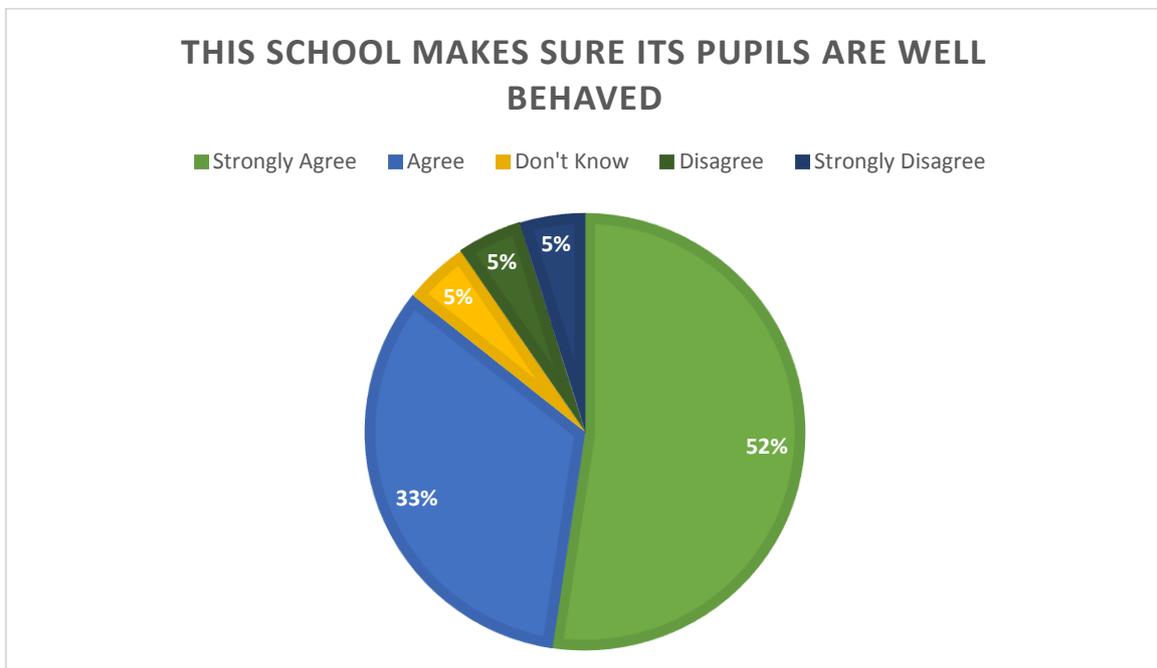

Strongly Agree Agree Don't Know Disagree Strongly Disagree

We appreciate that 95% of parents agree that their child is well looked after at Uplowman and it has been pointed out how there is really a caring ethos amongst the staff when it comes to the wellbeing of the children.

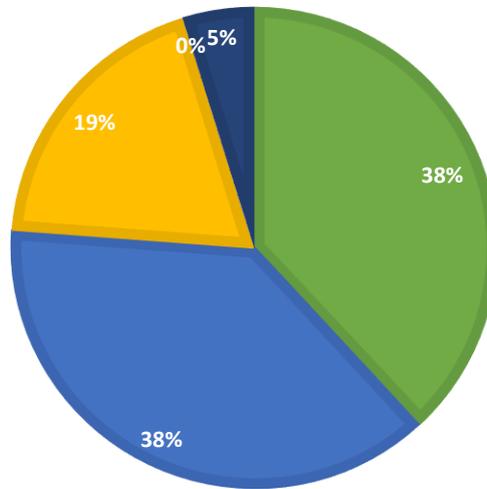

This was a hugely positive response, as often this is a question that divides parents depending on their own personal view of homework.

We felt reassured that an overwhelming majority of parents were in agreement that the school makes sure its pupils are well behaved. Not every child is as capable of self-regulating their behaviour as others and we have worked hard to help those children who find this challenging.

THIS SCHOOL DEALS EFFECTIVELY WITH BULLYING

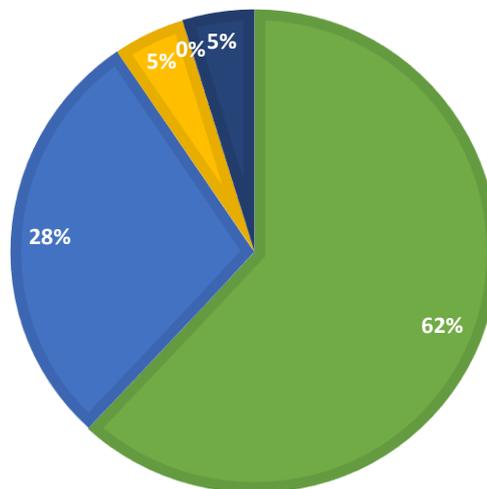

■ Strongly Agree ■ Agree ■ Don't Know ■ Disagree ■ Strongly Disagree

This can be a difficult question for parents to answer because for some, their perception of how this issue is dealt with will come from the reported experience of others, rather than their own child and so traditionally there is quite a large 'don't know' response to this question because most parents do not feel their child has been affected by bullying.

THIS SCHOOL IS WELL LED AND MANAGED

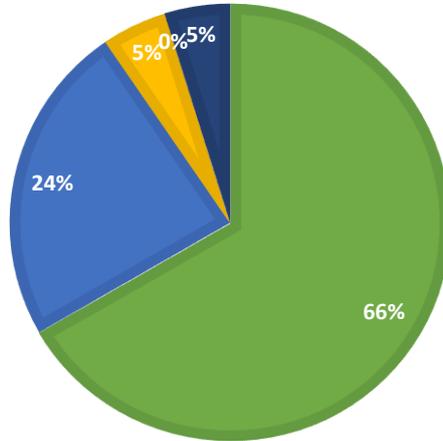

■ Strongly Agree ■ Agree ■ Don't Know ■ Disagree ■ Strongly Disagree

We were pleased to see the positive response to this question and whilst the circumstances around the difficulties faced in KS1 were acknowledged, parents seem to think that the school handled this well.

THIS SCHOOL RESPONDS WELL TO ANY CONCERNS I RAISE

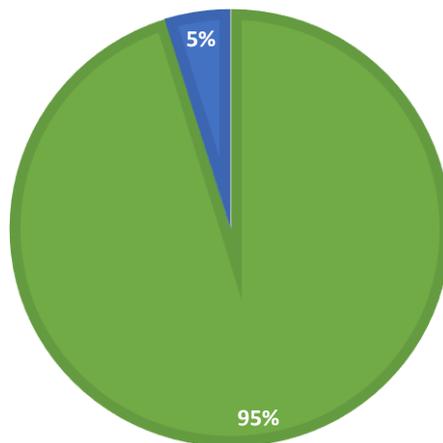

■ Strongly Agree ■ Agree ■ Don't Know ■ Disagree ■ Strongly Disagree

We were pleased that 90% of parents feel that the school responds well to any concerns that they raise. We operate an Open Door policy - far more open, in fact, than many schools - and the approachability of staff has often been commented upon. Please do make sure you come to us with any concerns you may have.

WOULD YOU RECOMMEND THIS SCHOOL TO ANOTHER PARENT?

■ Yes ■ No

The fact that 95% of our parents would be happy to recommend Uplowman to other parents is a glowing testimony to the hard work and care of the staff here. It is much appreciated.
