Healthy Snack

As you will know Woolton Primary School is the proud holder of the Healthy Schools Award. This award is in recognition of all that we do to encourage our children to live healthy lives and adopt healthy lifestyles. We encourage children to make healthy choices about what they eat whilst in school. At morning break time we allow children to bring in a small snack to bridge the gap between a healthy, nutritious breakfast and an equally healthy lunch. We therefore ask that children are helped to reinforce our healthy school credentials, by ensuring that the snack they are provided with is a healthy one. Fruit is an ideal choice. Crisps and chocolate bars are treats best kept for outside of school. Thank you for your co-operation.
