## Friday News

### Head's Message

We're through to another Friday and it's once again there has been so many things going on in school to talk about. Our Superhero topic is in full swing and our whole school book is certainly providing us with a lot to talk about. We've had Superhero shields, Superhero comics, Superhero writing and even Superhero Maths!! We will be having a gallery of the children's work at the end of term for you to see.

Our certificates this week have been for success and specifically teamwork success. Our winners have been Charlie Murphy, Scarlett Smith, Kai Foster, Brandon Munro Berry and Lyla Chandler... and they have been difficult to choose this week due to the quality of work from everybody.

It has been great to see the success of our after school clubs and it's been fantastic to see the enthusiasm of the children during the sessions. If you have had any ideas for after school clubs please chat to the staff and we'll see if we can accommodate you.

Could I please remind you about school uniform. Children should be wearing black shoes and have a full PE kit to get changed into which can be left in school during the week in case we have extra PE sessions.

### Governor update from Chair of Governors Margaret Wiltshire

I'm really sorry to have to tell you that after over 12 years as a governor at Broughton Moor Primary School **Julie Crelling** has decided to retire from the governing body. Julie has given a great deal of time and energy to Broughton Moor. Her skill, expertise and commitment to the children of Broughton Moor will be much missed. We're already working with the governor recruitment agency to find a new co opted governor. Our other governors have all been busy undertaking training this term so that we're better able to carry out our responsibilities in school.
