Welcome to Rainbow Hut before and after school club at Seven Hills Primary School.

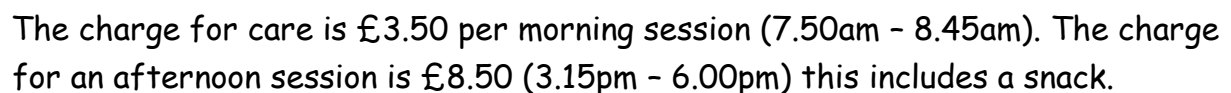

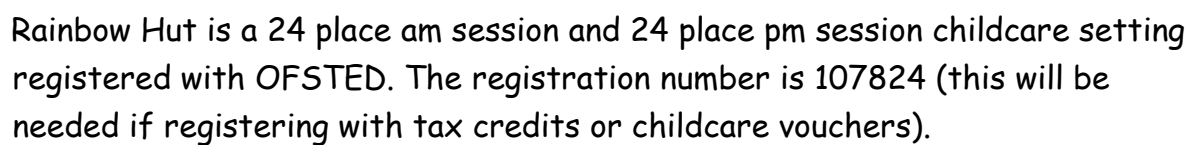

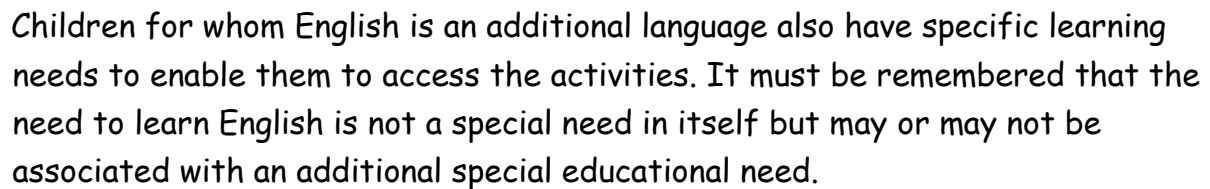

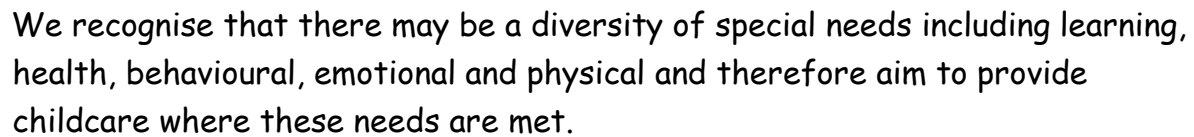

Aims and Objectives

- Every child is valued as an individual with their own unique personalities.
- To provide quality care for all children in a comfortable, stimulating and safe environment.
- To ensure a child feels safe and secure at all times.
- To encourage equal opportunities.
- To take into account your child's needs arising from race, culture, language, religion and social background.
- To create a range of activities appropriate to all age ranges to meet the needs of each individual child.
- To support children with special educational needs and those who are learning English as an additional language.

Behaviour Statement

We believe in promoting positive behaviour by praising children for their positive actions and attitudes. We do this by using the traffic light system. Group rules are devised by the children and are concerned with safety, care and respect for others. If your child does not follow the group rules they will be moved up the traffic lights.

If misbehaviour or disruption continues the child is taken away from the situation. Staff will sit with the child to explain why they are there. The child then returns to the group after having time out.

Dropping off and collecting your child.

We are located in the rainbow room. Please follow the path at the front of the school and come through the rainbow gates (the gates will be unlocked unless children are playing out). Knock at the door and a member of staff will greet you.

If at any time you are unable to collect your child from Rainbow Hut please inform the manager with the authorised person's name and a password. Children should be signed out with the time recorded in the signing in and out book, which is located by the door.

While the children are playing out the main gate will be locked and will only be opened by a member of Rainbow Hut Staff.

Please contact Rainbow Hut if your child is not attending a session.
