Year 6 Kingswood Trip

Year 6 have returned, slightly soggy but very happy from a fabulous few days at Kingswood! The children climbed, leapt, solved problems and even conquered a few fears along the way! We had some bulls eye brilliance in the archery arena and through it all, our Year 6 listened, laughed, bonded and made the whole trip fun for children and teachers alike!

End of Year Production

End of Year Production: Hear Ye! Hear Ye! You are all warmly welcomed to our end of year production: Robin and his Sherwood Hoodies! Join Year 6 as they introduce Robin Hood and his merry men, some very strange dungeon masters and the mean old Sheriff of Nottingham. The children are working hard to put on the best show in town! Come and see this classic story...as you have never seen it before!

Our performance will be on **Thursday 20th July**. A letter will be sent home soon detailing how you can reserve your free ticket(s).

Packed Lunches

Packed lunches should be in a secure named container. No sweets/chocolate are allowed – instead, we encourage lots of fruit or vegetables. Water is available on all tables for children who choose a packed lunch. However, your child can bring their own drink in a non-breakable container – fizzy drinks and energy drinks must be avoided.

Choking Hazard

The size and shape of grapes means that they can create a choking hazard. With the tight seal produced by the fruit's smooth, flexible surface making them tricky to shift with first aid manoeuvres.

If you provide your child with grapes for their lunch, please could these be cut lengthways.

Food and Drink

This is a polite reminder to ask that no food or drink is consumed within the office area of school. This is to ensure that there are no spillages which may cause a hazard for children/visitors/staff.

We would like to thank you for your understanding and co-operation.

Times Tables Rock Star Leader Board

As previously mentioned in this section of the newsletter, we have signed up to the Leeds Times Table Rock-Stars Wrangle! Where a team of carefully selected year 6 children will have the chance to battle it out against other mathematicians from across the city. The 3 selected children will be the top 3 Year Six children at the time of choosing!

If we were to have a winner of the Leeds Wrangle they would win Mr Cairns, themselves and their team mates a helicopter ride over the sights of our great city.
