

Dalton St Michael's C.E. Primary School

Newsletter 33

June 16th 2017

Our Year Six visited Liverpool Cathedral for their Leaver's Service on Tuesday. Mr Atkins and Mrs Britton accompanied them – their first and last classteachers at Dalton School.

Rev'd. Lock explained the Baptism service to our year one and two children on Thursday. They enjoyed acting out all parts of the service.

Our Gardening club harvested their potatoes this week. They weighed all the potatoes and were delighted to find the heaviest potato in the shape of a heart! We think that is quite apt for our school.

On Thursday we welcomed Mr Haigh to school who was completing our Church School SIAMS Inspection. He was shown around our school by Noah and Maya. Apparently they were fantastic ambassadors for Dalton St Michael's. We will share the report as soon as we are able.

Stars of the Week

Nursery: **Aurora** for always showing lots of sympathy when others are hurt

Reception: **Ellie** for super number recognition

Year one: **Lucas** for excellent Maths work – dividing and grouping

Year two: **Joel** for excellent Maths work – dividing and grouping

Year three: **Eva** for always having a helpful and positive attitude

Year four: **Deacon** for excellent hard work on digital time in Maths

All the children in year five and six: for their time at Borwick Hall. Mrs Britton reports they have had a fantastic time. They will tell us all about it next week.

Attendance

Years 5 & 6 98.18%

Our whole school attendance to date is 95%

Our target for the academic year is 96%

Next Week...

The PTFA have organised another Bag collection to raise money for school. Please send in bags for Thursday morning. Thank you.
