

Attendance Policy

1 Introduction

- 1.1 We expect all children on roll to attend every day, when the school is in session, as long as they are fit and healthy enough to do so. We do all we can to encourage the children to attend, and to put in place appropriate procedures. We believe that the most important factor in promoting good attendance is development of positive attitudes towards school. To this end, we strive to make our school a happy and rewarding experience for all children. We will reward those children whose attendance is very good. We will also make the best provision we can for those children who, for whatever reason, are prevented from coming to school.
- 1.2 Under the Education (Pupil Registration) Regulations 1995, the governing body are responsible for making sure the school keeps an attendance register that records which pupils are present at the start of both the morning and the afternoon sessions of the school day. This register will also indicate whether an absence was authorised or unauthorised.

2 Definitions

2.1 Authorised absence

- An absence is classified as authorised when a child has been away from school for a legitimate reason and the school has received notification from a parent or guardian. For example, if a child has been unwell, the parent writes a note or telephones the school to explain the absence.
- Only the school can make an absence authorised. Parents and carers do not have this authority. Consequently, not all absences supported by parents and carers will be classified as authorised. For example, if a parent takes a child out of school to go shopping during school hours, this will not mean it is an authorised absence.

2.2 Unauthorised absence

- An absence is classified as unauthorised when a child is away from school without the permission of both the school and a parent.
- Therefore, the absence is unauthorised if a child is away from school without good reason, even with the support of a parent.

3 If a child is absent

- 3.1 When a child is absent unexpectedly, the class teacher will record the absence in the register, and will inform the school office, which will endeavour to contact a parent or guardian by 10am on the first day of absence.
- 3.2 On the first day of the absence parents are asked to contact the office to inform the school if the absence is an illness. Where no explanation is given the parents will be required to provide an explanation of why the child was absent and where they were during the absence.
- 3.3 A note may be sent to the school prior to the day of absence, e.g. if a child has a medical appointment.
- 3.4 If there is any doubt about the whereabouts of a child, the class teacher should take immediate action by notifying the school office. The school will then be in contact straight away with the parent or guardian, in order to check on the safety of the child.

4 Requests for leave of absence

- 4.1 We strongly believe that children need to be in school for all sessions, so that they can make the most progress possible. However, we do understand that there are circumstances under which a parent may legitimately request leave of absence for a child to attend, e.g. a bereavement, wedding or very special occasion. We expect parents and carers to contact the school at least a week in advance. We will not authorise a request for a holiday on the grounds of economic consideration or to attend events outside of the immediate family during term time.
- 4.2 Parents and carers do not have any legal right to take their children out of school during term time. Only exceptional circumstance will be considered. The National Association of Headteachers defines 'exceptional circumstances' as those which are rare, significant, unavoidable and short, where 'unavoidable' means an event that could not reasonably be scheduled at another time.

5 Long-term absence

- 5.1 When children have an illness that means they will be away from school for over five days, the school will do all it can to send material home, so that they can keep up with their school work.
- 5.2 If the absence is likely to continue for an extended period, or be a repetitive absence, the school will contact the support services, so that arrangements can be made for the child to be given some tuition outside school.

6 Repeated unauthorised absences

- 6.1 The school will contact the parent or guardian of any child who has an unauthorised absence. If a child has a repeated number of unauthorised absences, the parents or guardians will be asked to visit the school and discuss the problem. If the situation does not improve, the school will then contact the authority support services, who will visit the home and seek to ensure that the parents or guardians understand the seriousness of the situation.
- 6.2 The governors, supported by the authority, reserve the right to consider taking legal action against any parents or guardians who repeatedly fail to accept their responsibility for sending their children to school on a regular basis.

7 Rewards for good attendance

- 7.1 All the children who have exemplary attendance in any one term will receive an excellence certificate for attendance, awarded at the last assembly of the term. There are special gold certificates for any child who has exemplary attendance for a whole year.
- 7.2 Each week, the class with the highest attendance will receive the 'Attendance Bear' to look after. Their attendance achievement will be noted in the school newsletter.

8 Attendance targets

- 8.1 The school sets attendance targets each year. These are agreed by the senior staff and governors at the annual target-setting meeting. The targets are challenging yet realistic, and based on attendance figures achieved in previous years. The school considers carefully the attendance figures for other similar schools when setting its own targets. The attendance figures are used to prove children enjoy and attend school during OFSTED inspections.

9 Monitoring and review

- 9.1 It is the responsibility of the governors to monitor overall attendance, and they will request an annual report from the headteacher. The governing body also has the responsibility for this policy, and for seeing that it is carried out. The governors will therefore examine closely the

Home Farm Primary School

information provided to them, and seek to ensure that our attendance figures are as high as they should be. This will be included as a standing agenda item once per year.

- 9.2 The school will keep accurate attendance records on file for a minimum period of three years.
- 9.3
- 9.4 In bad/severe weather the school endeavours to stay open at all times, where possible.
- 9.5 Class teachers will be responsible for monitoring attendance in their class, and for following up absences in the appropriate way. If there is concern about a child's absence, they will contact the school office immediately. If there is a longer-term general worry about the attendance of a particular child, this will be reported to the headteacher, who will contact the parents or guardians.
- 9.6 This policy will be reviewed by the governing body every two years, or earlier if considered necessary.
