

Curriculum Overview Year 3 Summer 2 2017

English

READING ~ Reading a wider range of material including poetry, information leaflets, recipe cards and instructions and newspapers.

We will be:

- Retrieving information from the text using skills taught such as skimming and scanning.
- Identifying new words and beginning to understand their meaning.
- Identifying main ideas drawn from more than one paragraph and summarising these.
- Recognising different types of non-fiction and fiction texts.
- Consolidating our understanding of text marking.
- Discussing the main idea of texts from reading just a few paragraphs.
- Interpreting and deducing meaning about characters' feelings and the reasons behind their actions.

Writing ~ writing a diary entry from the perspective of Howard Carter.

We will be:

- Using familiar forms or writing to help guide my own compositions and using to 'Talk for Writing' to help us.
- Proof reading for spelling and punctuation and grammar.
- Assessing the effectiveness of their own and others' writing and suggesting improvements.
- Attempting to use more adventurous vocabulary through the use of a thesaurus.

Handwriting and Presentation

All children should:

- Consistently form all of their letters, starting from the line, and begin joining.
- Use the diagonal and horizontal strokes that are needed to join letters, with clear ascenders and descenders.

Vocabulary, Grammar and Punctuation

We will be:

- Revising our tenses
- Consolidating use of punctuation already taught, particularly for direct speech, (. , ? ! "" and ' for possession or plurals).
- Using time conjunctions

TOPIC Ancient Egyptians

Art

Children will learn to:

- Improve mastery of techniques such as drawing, painting and sculpture with a variety of materials.
- Collect ideas from artists they will learn about.
- Evaluate their own work recognising things they have done well and some 'even better ifs'.

History:

Children will learn to:

- Carry out a study of a theme in British history: Find out about early civilisations achievements and carry out in depth study of Ancient Egypt.
- Recognise and understand the hierarchy of society in Ancient Egypt.
- Learn through book and internet research the importance of the Pharaohs in Egypt.

Science

In Science

Children will be learning about **Animals including Humans.**

Children will learn to:

- Understand that plants and animals obtain food in different ways.
- Identify the right types of food that make up a balanced diet and have an understanding of how much of different types of food they should eat.
- Name the different types of skeletons as well as be able to group animals by the type of skeleton it has.
- Identify main bones in the body and know how the Skelton protects, supports and helps the body to move.
- Explain how muscles work together, to allow movement.

Maths

Children will learn to:

Multiplication and Division

- write and calculate mathematical statements for multiplication and division using the multiplication tables that they know, including for two-digit numbers times one-digit numbers, using mental and progressing to formal written methods
- recall and use multiplication and division facts for the 8 multiplication tables
- count from zero in multiples of 8

Length, weight and Volume

- measure, compare, add and subtract: lengths (m/cm/mm); mass (kg/g); volume/capacity (l/ml)
- solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction
- continue to measure using the appropriate tools and units, progressing to using a wider range of measures, including comparing and using mixed units (for example, 1 kg and 200g) and simple equivalents of mixed units (for example, 5m = 500cm)

Physical Education

In PE children will be taking part in athletics

We will:

- use running, jumping, throwing, and catching in isolation and in combination.
- develop flexibility, strength, technique, control and balance.
- compare their performances with previous ones and demonstrate improvement to achieve their personal best.

Music

In Music:

Children will be learning about the music of Ancient Egypt and the instruments that were used, making the connection between these instruments and the more commonly known instruments used in today's music.

Children will learn to:

- Listen with attention and detail.
- Appreciate a variety of live and recorded music.

Computing

In Computing we will:

- Use search technologies effectively, appreciating how results are selected are ranked, and be discerning in evaluating digital content.
- Use a range of software (multimedia presentation, word processing and internet services and a range of digital devices to collect content and present information collected about the Egyptians.

Life Education and RE

In Life Education the theme is 'Changes' Children will learn:

- to understanding different types of change (positive and negatives) and common human responses to them.

In RE we will:

- Focus on the practises of Christianity and compare these to the practises of Sikhism we already know about.

In French:

Children will be recapping their learning from throughout the year and applying this in conversation, written work and songs.

Children will learn to:

- explore the patterns and sounds of language through songs and rhymes and link the spelling, sound and meaning of words.
- engage in conversations; ask and answer questions; express opinions and respond to those of others; seek clarification and help.
- speak in sentences, using familiar vocabulary, phrases and basic language structures.
- develop accurate pronunciation and intonation so that others understand when they are reading aloud or using familiar words and phrases.

Year 3 News

Congratulations on all children achieving their reading target last half term which was to read and understand the meaning of half of the year 3 and 4 words. It is clear everybody worked really hard to achieve this ☺

Now to focus on this half term's new reading target. We are aiming for 100% this time so let's get reading!!

Notices:

Homework Diaries, reading and Home Learning

A reminder, that reading books should be read **daily** and homework diaries need to be returned to school **every day**. Your child should be making a note in their own diary to log any Home Learning they are completing each day and we ask an adult to comment and sign when they have heard the child read, and also record which pages have been completed. **It is really important that your child continues to get the chance to read to an adult for 5 to 10 minutes evening.**

Children will be rewarded with a house point each day for bringing their completed homework diaries, Home Learning and reading books back every day. It is part of school policy that any child not complying will miss their playtime.

Upcoming Events

- Thursday 15th June Fathers' Day Assemblies at 9:15am and 2:00pm
- Monday 19th – Friday 23rd June Sport's Week
- Tuesday 20th June at 9:45am and 5:45pm Coffee Morning/Parent Workshop on how to maximise our school's website to help support Home Learning
