FIDGIT SPINNERS

Can we please remind all parents/carers and children that these toys are **NOT** allowed in school.

There are new designs coming out that are really quite sharp so as well as being a distraction they are dangerous to have in school.

If your child is found to have one at school it will be confiscated and a parent /carer will have to collect it from the office at the end of the day.

We thank you for your continued support.

We have just received the certificates showing exactly how much we raised for Red Nose Day. **Infants £720 Juniors £1272.99** So that means a total of **£1992.99** Well done to everyone!

MIDDAY SUPERVISORS

We currently have vacancies for Midday Supervisors.

If you are interested in the role you will be required to work Monday-Friday (Term Time) from 11.45am until 1.15pm.

You will work across the federation. Please call into either office for an application form.

Previous applicants need not apply. Thank you.

POSITIVE FEEDBACK

Over the last few weeks some of our pupils have been out and about on various school trips. We have had such amazing feedback from the different venues on our children.

The Year 3 pupils have been to Flamborough and we received a lovely email saying that behaviour, listening skills and enthusiasm were all brilliant! Some of them were also interviewed as part of the promotions.

The children from FS2 were out as well this week visiting Pink Pig farm and the owners were more than complimentary about the behaviour of our children.

Without your support these trips would not go ahead.

We would also like to thank all the parents and carers who give up their time to help us out on Infant school trips.

We are immensely proud of all our pupils and we are sure that when the next trips happen we will be getting the same positive feedback.
