

# Term 2017

## Newsletter 2

Welcome back to everybody, we hope you had a good half term break. With the weather hopefully getting warmer at last, we will endeavour to get the children outside as much as possible, so please ensure, as many of you already do, that children have sun cream applied in the morning and bring water bottles and a hat to keep them safe in the sun. The children made us very proud with their approach to their SATS last term and did everything that was asked of them. I am sure that with their hard work and the dedication of the teachers and support assistants in school, we can look forward to a good set of results! I have included below the staffing line up for next year, so that you will be aware of your child's Class Teacher. I would also like to congratulate both Mrs Wooler and Miss Broadley, who are getting married over the summer and will return as Mrs Gash and Mrs Rayney, respectively. The next term is always a busy one so please take note of the dates for your diaries.

Mrs. A Crawshaw

Headteacher

### **WEBSITE: [www.tedder.lincs.sch.uk](http://www.tedder.lincs.sch.uk)**

I hope that many of you will have had the opportunity to look at our website and familiarise yourselves with the news and information contained there. Letters, menus, event photos, Topic Sheets, performance data and curriculum information are all available to keep you up to date with School life. Our Safeguarding Policy is available to those of you who may have concerns and will give advice on keeping children safe, together with other policies which will keep you informed.

**Overleaf are the important dates for next term but I would like to draw your attention to the following:**

**23<sup>rd</sup> June- Camo Day** - Once again we are going to have some fun and raise money for SSAFA. The children will be able to come in dressed in military uniforms, which I know many of them have and love to show off proudly. Alternatively, any type of combat trouser and T-shirt will be absolutely fine for those who wish to join in.

**Class Assemblies** - 27<sup>th</sup> June - Class 2 Assembly, 28<sup>th</sup> June - Class 1 Assembly, 29<sup>th</sup> June - Class 4 Assembly, 4<sup>th</sup> July - Class 3 Assembly, 5<sup>th</sup> July - Class 5 Assembly. These will be a real celebration of the learning that has taken place over the year. Each class will take an assembly for the whole school and parents, which will commence at 9.15. The assemblies will be a showcase for all of the wonderful topics covered during the year and are always a pleasure.

**Transition Day - 6<sup>th</sup> July** - All children will go to their new classes and spend the morning. It is an exciting day and children should attend on that day unless of course they are ill.

**7<sup>th</sup> July - Coffee Morning** - all parents are invited to have coffee and chat informally to the Class Teachers old and new. Miss Johnson is unavailable for this meeting.

**12<sup>th</sup> July - Parent's afternoon/evening** - This year at the end of the Summer Term, we will be holding one parent's afternoon/evening. This will follow the children's end of year reports which provide a comprehensive picture of what your children have accomplished over the year and what their targets are for the future. The Parents Afternoon/Evening, is therefore designed as an opportunity for you to meet with your child's teacher and discuss any matters arising from the report, which concern you. Once the reports have been received, if you have any issues that you would like to discuss before the end of the year, please telephone the office for an appointment.

**13<sup>th</sup> July - Summer Fayre** - This is a great event where the children from Class 5 have a mini project week and produce games and stalls which are fun for all of the family. They work out costings for the stalls and profit forecasts and organise and run the stalls themselves. We would welcome participation from anybody who would like to run a stall which included arts and crafts etc, simply let the school know what your requirements are. A fee of £5.00 per pitch will be payable.
