Kindness nomination reminder	Posters had been made in the previous session to remind staff and pupils about kindness awards.	Students delivered their posters to each class.
Festival of sport day	We decided to hold a tombola throughout the festival of sport to raise money for AgeUK East Riding.	A letter has gone out to parents to ask for tombola prizes and to inform them of the plans for festival of sport.
Fun Week.	To hold a fun week each dinner time next week that pupils can attend for 50p a day. All contributions will go towards the school councils chosen charity. AgeUK East Riding.	Students decided on the activities they would like to be held during fun week and a letter went home to all pupils so that parents could contribute if their pupil wanted to come.
School Council Award	To put an application for a school council award by discussing and evidencing the activities we have done for our chosen charity.	The application has been sent and received and we are just waiting for judges to make their decision on the closing date.
