

Science Workshop for Parents

Thank you to the 53 children and parents who attended our science workshop for an evening of practical experiments, learning and fun.

Parent/Carer Evaluation Comments

Very kind & thoughtful of the School to put on an activity which parent & child can engage in.

Fantastic workshop! Kids and myself really enjoyed it.

Great Workshop.
Really Interesting.

I loved it!
I also found it interesting.
😊

Really great interactive session.
Enjoyed it. Thankyou.

Lots of experiments to be recreated @ home 😊.

lovely to see
the children's reactions
with the experiments.

Amazing to see the
children having so much
fun whilst learning.
Fantastic!

lots of variety and lots
of fun. Looking forward to
more activities like this.

Amazing to see so
many children (and parents)
engaged in science.

We thought it
was really great and
informative & fun and
educational!

The children loved
the experiments

EXCELLENT INTERACTIVE
ACTIVITY WITH A DIFFERENCE.
FUN AND ENJOYABLE.

Great fun. Thanks
for the experience!

Brilliant idea and
I loved the opportunity
to learn with my
child.
Thank you.

Absolutely fantastic
- Thankyou all for giving up your time to do it!

Very enjoyable and well taught. Great idea to get messy away from home.

Enjoyed interacting with the children.

It was fun and exciting.

Well worth doing.
Good for kids to engage.

A great evening to try the experiments together.

Great fun and educational.

Fantastic experiments really enjoyed it!!!
Thanks to Mr Henfield.
