

# Strategy, Vision and Values

## Vision:

For everyone to achieve their potential in an environment of care, courtesy and consideration.

When our children leave us, we want them to be confident, responsible citizens with a love of learning and a desire to contribute positively to society.

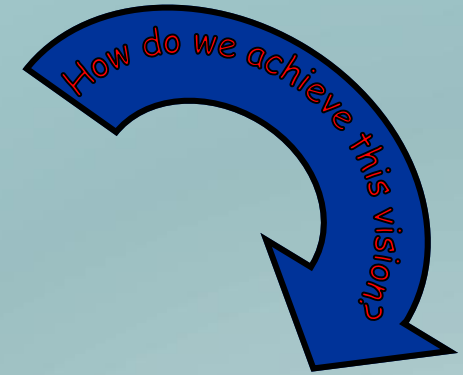

The wellbeing, safety and happiness of our children is paramount and will never be compromised.

All children, staff and parents will be treated with respect and fairness.

## Greasby Junior School

Rigorous monitoring procedures.

Highly ambitious leadership which has:

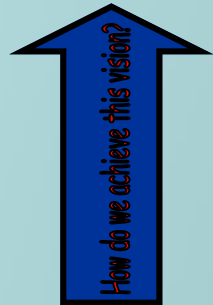

A deep knowledge of the school's strengths and weaknesses;

An uncompromising and relentless drive to strongly improve and maintain standards.

High expectations.

High quality professional development.

An ambitious School Development Plan which links strongly to the findings of the school's monitoring procedures.
