

*“The school has been fantastic in keeping parents informed, bringing life to the curriculum and providing a happy environment for learning.”*

*Mr & Mrs Hynes*

*“We couldn’t have hoped for a better learning experience for Millie in her formative years. The school has helped develop a child with ambition, curiosity, caring and confidence; qualities that will help her through the rest of her life. All delivered with a sense of fun.”*

*Mr & Mrs Elliot-Brown*

*“Amelia has had a fabulous journey during the past four years. Due to all your commitment and enthusiasm in all the many activities and lessons, Amelia will now have very special happy memories which she will always carry with her as she grows. Thank you for developing her love of learning and making school a safe, exciting place to be.”*

*Mr & Mrs Boylan*

*"We just want to say thank you. Mya and Eve have thoroughly enjoyed their time at GJS. I truly believe that the inclusive, supportive and nurturing culture that they have experienced at GJS has helped shape them as the amazing individuals they are."*

*Mr & Mrs Williams*

*"I feel I must share with you some of my feelings regarding the difference that attending your school has made to Maisie. I'm delighted to say that she has constantly reminded me throughout this year of how happy being at Greasby Juniors has made her. It is also very visible how proud she is when telling others about her experiences. Maisie's time, albeit short, at Greasby Juniors has made a huge difference to her well being and her confidence levels have been completely turned around. Maisie has attended this last year at school with a completely different mindset. She would look forward to and enjoy going to school."*

*Mrs Davis*

*“Sophie has been very content in her time at the school and I have never known her to feel upset or not want to go to school. It would be lovely if she could stay in the safe bubble of Greasby Junior School forever but alas time moves on”*

*Mrs Lincoln*

*"As Jennifer leaves for secondary school, we wanted to thank everyone for the wonderful, enriched education you have given to Catherine, Scott and Jennifer over the past ten years. It has been a lovely school to be part of and the children have enjoyed every day at school. What has impressed us most over the years has been the dedication of the staff, ensuring that not only have the children received an excellent education, but they have also had such an interesting and caring school in which to learn. The famous 3Cs, values and positivity at the school make a difference and inspire the children as they grow up."*

*Mr & Mrs Holmes*

*"We have to thank you for all the hard work, care and consideration given to Cameron over the last four years. Cameron has had a wonderful time in your school and it is down to you all that he has achieved as well as he has. As parents, we couldn't have wished for a better start to his school life. Cameron has enjoyed every day he has been with you and we know he will miss you all"*

*Mr & Mrs McCurdy*

"I write this letter with a heavy heart! I find it sad that, come September, I will no longer have a child attending Greasby Junior School, but what a start to school life they have had! Kate looks back at GJS with fond memories and has thoroughly enjoyed her recent week's work experience...who knows, maybe in the future she could return to join the fabulous team of teachers you currently employ! I can honestly say neither of them have ever not wanted to come to school, which is a tribute to it being a happy, safe environment to be in. In summary, we could not have chosen a better school for Kate and Sean - thank you so much for all the support and commitment you have shown to both of them"

Mr & Mrs Carbery

*“Thank you for all the support throughout Emily’s time at Greasby Juniors. I never imagined that when Emily joined the school in Year 3 as a quiet, timid little girl, that she would thrive and grow into the confident, content and happy young lady that she is. Lots of these qualities are because of Greasby Juniors, and I couldn’t thank you enough.”*

*Mrs Jones*

*"As you know Sophie leaves your excellent school tomorrow at the conclusion of her final year. She does so with genuine regret. She has enjoyed her lessons and has learned much. Sophie has enormously enjoyed the many activities which the school promotes, such as, the Christmas pantomime and the Summer Serenade. I cannot believe, when attending these events, that I am watching school children, such is their professionalism. Sophie has also asked me to pass on how wonderfully colourful the school is, along the corridors. This cheerful image is of course so important to a child's enjoyment of the educational experience."*

*Mr Askey*

*"I wanted to take this opportunity, as my youngest child leaves Greasby Junior School, to thank you and all your staff for providing all of my children with the best education they could possibly have had. Each of my children have had their own strengths and abilities, each requiring different types of support from school and yet each one has been successful and flourished during their time with you."*

*Mrs Evans*

"I would like to thank all the staff for the fantastic education that both Matthew and Richard have received in the past seven years and the support you have all given them and us. I have just looked at the letter I sent to you when Matthew left three years ago which said 'Every teacher he has had has gone out of the way to not only encourage and support him but also understand him.' We have always enjoyed a productive dialogue with you all and felt at all times Matthew was not only treated as an individual but understood and valued as an individual. The same can be said completely of Richard. It is a testament to Greasby Juniors that teenagers of Matthew's age still keep coming back to the junior school and have nothing but praise and respect for it now!"

Mr & Mrs Lee

*“We’d just like to say thank you very much for all the time, effort and caring attitude shown to both our children during their years at GJS. Amy and Cameron have both enjoyed themselves and learnt and developed so much under your care. We couldn’t have asked for better.”*

*Mr & Mrs Thompson*

*"In many respects today is a bitter sweet day. We are terribly sad that Ella's time at Greasby Junior School has come to an end and yet we are absolutely delighted that she has had the opportunity to have experiences such as a first class education over the last four years. Very often, on a Friday we would ask Ella how her week had gone. For us it was a real pleasure to see her enjoyment and enthusiasm bubble over as she recalled the week's events. I suppose the best compliment that I can pay is that, thanks to you all, Ella has loved her time with you and I know that for the rest of her life she will look back at her time at Greasby with great fondness and with a smile on her face."*

*Mr Vernon*
