

How to climb the magic faraway tree.

1. What you will need:

- A change of clothes,
- A pack lunch,
- A cupful of courage,
- A towel,
- A back pack.

Method

1. Eat your breakfast quickly so that you can set off as soon as possible.
2. Make sure you make a pack lunch so you have something to eat.
3. Get your back pack so that you can carry your pack lunch.
4. Start walking through the garden.
5. Once you have gone out of the garden you will come to a narrow ditch.
6. You will have to jump over the ditch carefully.
7. Keep walking until an enormous tree with plums, nuts, pears or apples growing on it.

8. When you come to the huge tree put your left ear on the tree trunk because it might have a message for you.
9. Climb up the massive tree the ordinary way unless the rope has been let down.
10. Once you get to the first widow don't peep in. (that is where the angry pixies live)
11. Then you'll come to the owl's house and he'll be asleep.
12. Mind out of the splish splashing water coming down the tree.
13. Next you'll come to silky's door, if you knock on her door she'll answer.
14. Keep going up the ~~up~~ tree until you get to Moon-Face's house.
15. Knock on his door and he'll answer it.
16. Finally in Moon-Face's house go down the Slippery Slip.
17. What a fun adventure that was.
