

# Barnburgh Primary School Newsletter

**Date:** 30th June 2017

**Headteacher:** Mrs Potts

**Issue:** 36

It goes without saying that the highlight of our week was on Tuesday when we celebrated the school's 60th anniversary. We welcomed lots of visitors from the community during the morning who enjoyed looking through old memorabilia including photographs and old film footage. Some visitors took the opportunity to enjoy a tour of the school and were surprised to see how much it had changed. Following that, our children enjoyed a delicious party lunch provided by Vonnie, our school Cook. The children were then able to select party activities to enjoy during the afternoon. There was cake galore courtesy of our School's Catering Team and Vonnie ensured that every child had a special birthday cake to take home including a 60th birthday cake topper, provided by the PTA. Everyone had a great day and we have made sure that photographs and memory books have been added to the history box ready for the next anniversary in 10 years time!

It was also an exciting week for our year 6 pupils who went on a residential visit to Hatfield Water Park. They took part in a variety of challenges including raft building and climbing. I had the pleasure of joining them on Monday and I was impressed by the team spirit that they all displayed when trying to overcome their fears. I'm sure they made lots of special memories.

Next week is transition week. Most of our Year 6 cohort will be spending the week at Ridgewood which means that the rest of our children will spend the week with their new teachers in their new classrooms. Please drop your children off as normal on Monday morning. The children will come into school in the usual way and will go to their new classrooms following a special assembly. Your child's new teacher will arrange morning time procedures with their class for Tuesday to Friday.

*Mrs J Potts.*

# **INVITATION TO OUR TRANSITION EVENT**

We have pleasure in inviting you to our transition event  
on **Thursday 6th July** between **4pm and 5pm**.

Come and take a look around the school,  
meet your child's new teacher,  
see where they will be learning,  
find out more about our Cornerstones curriculum,  
meet our PE providers,  
join in with some activities,  
meet some of our governors and PTA members,  
sample our school dinners...

Your children will be your tour guides!  
We look forward to seeing you.
