

Our school Mission Statement is...

Everyone at St John of Beverley RC Primary School knows we are part of God's family. We share, play and learn together and try to be the best we can be.

What does this mean to me?

We are all welcome and play together and help each other.

They're amazing to me because everybody loves me.

It makes me feel that we are all loved and all included in a special family.

No one is left behind. We try our best, we are all God's family even if we are bad or good.

It makes me feel safe, loved and part of the school family.

It means we are kind and unselfish and stay true to God. We love one each other and try to be the best person we can be.

It tells me this school is nice and calm, encouraging, holy and fun and the teachers teach you the same.

It means I have to feel I can do it and be the best I can be.

We try to the best we can be and to just be unique and just be ourselves.

There is always someone there to help, or to help you

This school is a special place because

It is special because we know that God's always there to help us.

We learn how to look after each other.

We all learn but also we have fun and everyone looks after each other.

It is not like other schools we get to learn about different adventures and stories.

God flows through everyone in St John's school.

All of the teachers love each other and all of us.

We care, share, learn and respect in every way possible. Our school follows the rules of God and it's like we are one big family.

It's inspiring and everyone is included.

The teachers here are awesome and they always make you feel joyful.

I always feel safe and I learn things everyday as well as making new friends.

I feel really safe and whenever I need help or support, it's always there for me.

We get lots of opportunities for sport and we are all great friends in this school.

All my friends help me to learn new things and to learn to care about others and to just help each other to be a better person and to follow God.

It is a Holy school and we learn about God and Jesus in RE. It helps us to be good and to sort out our own problems.

Everyone tries to be as holy as possible and help other people.

If I have an idea for school improvement

I would go to Mini Vinnies, Mrs Hall, Mr Chatwin, Mrs Nicholl, The Governors.

Something that would make our school even better is...

New people coming to our school even if they don't know the language

Do more music.

Praying more

If we pray as much as we can and all say please and thankyou.

I would like for people to treat others the way they would like to be treated.

Fix the physical area.

More footballs.
