NSPCC

The NSPCC's Speak out. Stay safe programme is visiting our school on 18/7/17 to make sure our pupils have the knowledge and understanding they need to stay safe from abuse. This is a nationwide programme for every primary school aged children in the UK. With the help of their friendly mascot Buddy they'll be presenting an assembly to the children in our school as well as a workshop for Years 5 and 6. Through child-friendly, interactive assemblies and workshops their specially trained staff and volunteers will give children information about how to keep themselves safe from harm and how to get help if they have any worries, sensitively discussing issues like bullying and sexual abuse, without using scary words or adult language. If you would like any more information about the NSPCC **Speak out. Stay safe** programme including frequently asked questions, you can find it on the NSPCC website nspcc.org.uk/schools, or a letter from the NSPCC is available from the school office.

School Trips

Parent Pay

As from September we hope to be in a position to offer ParentPay to you as a way of paying for services at school. Initially we will use it for payment of dinner money but in time we will be able to offer payments for trips etc. ParentPay is quick and easy to use and offers a highly secure payment site that will stop you from having to write cheques or search for cash to send to school.

How to get started

We will send you an activation letter to enable you to setup your account. The letter will contain a personal username and password to enable you to login to ParentPay. During the activation process you will be guided through changing your username and password to something more memorable; you can also merge your accounts if you have more than one child at the school. More information can be found on the ParentPay website or alternatively contact the school.
